A new action packed mecha comedy from Masami Obari (BUBBLEGUM CRISIS, DANGAIOH, MEGAZONE 23, VIRUS)! With fantastic mecha and character designs combined with fast paced action sequences and a complex storyline, Dangaizer 3 will have fans begging for more!

Hina Mitsurugi never imagined her life would end up like her favorite battle game!

Even after piloting the monolithic robot Dangaizer, Hina can't seem to remember what her true purpose is or why Goma is trying to kill her. While Reika and Cindy struggle to restore her broken memories, Goma is targeting Neo Hong Kong for the next stage in their diabolical plans of destruction. When the three pilots knowingly rush headlong into a trap, the stakes have been raised! There's a new player in the game - Eileen, the Angel of Destruction! Her close resemblance to Hina could contain the answers to her mysterious memory lapse. But why is she so determined to destroy Dangaizer?

It's an all out battle to Armageddon that no one may be able to stop!

Contains Episodes 3-4.
